\*\*\*\*NOTE: Section 13.172 specifies the manner for state agencies to provide reports  
to the legislature that are required by other statutes. The above applies s. 13.172 to the  
UW.

20           SECTION 6. 13.40 (3) (i) 4. of the statutes is created to read:

21           13.40 (3) (i) 4. The Board of Trustees of the University of Wisconsin.

9       University of ~~Wisconsin-Madison~~ Wisconsin.

10       **SECTION 44.** 16.002 (2) of the statutes is amended to read:

11       16.002 (2) "Departments" means constitutional offices, departments, and  
12       independent agencies and includes all societies, associations, and other agencies of  
13       state government for which appropriations are made by law, but not including  
14       authorities created in subch. II of ch. 114 or subch. III of ch. 149 and or in chs. 37,  
15       52, 231, 232, 233, 234, 235, 237, and or 279.

\*\*\*NOTE: The above exempts the UW from the following:

-- Section 16.52 (11), which allows the DOA secretary to "allocate and  
charge, and ... prescribe the procedures for departments to allocate and charge, the  
central services costs of [DOA] or of individual departments to selected federal grants or  
contracts." ok.

-- Section 16.53 (1) (ca), which requires all departments to "diligently

promulgate rules governing such expenditures that are consistent with uniform  
guidelines established under s. 20.916 (8). ok.

-- Section 16.54 (10), which requires all departments, before acceptance

establish a system for protecting essential public records in the event of a disaster and

QUESTION: is UW an independent agency to which above and below apply?

-- Section 16.31 (d) 4., which requires the public record board to furnish *OK* state departments with copies of its final plan for preserving essential public records.

-- Section 16.61 (13) (a), which, in setting forth the duties of the historical society, provides that "the records of all central departments, offices, establishments and agencies shall remain in the main archives in the capital city under the society's immediate jurisdiction." However, note that s. 16.61 (13) (a) also provides that the "permanent preservation of records of the University of Wisconsin System may be accomplished under [s. 16.61 (13) (b)]," which allows the public records board to "designate an archival depository at each university as defined in s. 36.05 (13) which shall meet standards for university archival depositories established by the board with the advice of the board of regents and the historical society or their respective designated representatives. The board may transfer to the appropriate university archival depository all original records and reproductions the board deems worthy of permanent preservation." *opt in.*

-- Section 16.85 (1), which requires DOA to "take charge of and supervise *we can* all engineering or architectural services or construction work, as defined in s. 16.87, performed by, or for, the state, or any department, board, institution, commission, or officer of the state, including nonprofit-sharing corporations organized for the purpose *only be* of assisting the state in the construction and acquisition of new buildings or improvements and additions to existing buildings as contemplated under ss. 13.488, 36.09, and 36.11, except the engineering, architectural, and construction work of the *out of this* department of transportation and the engineering service performed by the department *section when* of commerce, department of revenue, public service commission, department of health *building by* services, and other departments, boards, and commissions when the service is not related *non-state* to the maintenance, and construction and planning, of the physical properties of the *funds* state." *per* *governor.*

Section 16.85 (6), which requires DOA to "approve the appointment of a principal engineer or architect for departments, boards and commissions and when such continuous service is needed." *same as above.*

1        **SECTION 45.** 16.004 (4) of the statutes is amended to read:

2        16.004 (4) FREEDOM OF ACCESS. The secretary and such employees of the  
3        department as the secretary designates may enter into the offices of state agencies  
4        and authorities created under subch. II of ch. 114 or subch. III of ch. 149 and under  
5        chs. 37, 52, 231, 233, 234, 237, and 279, and may examine their books and accounts  
6        and any other matter that in the secretary's judgment should be examined and may

2 with the secretary and shall comply with every request of the secretary relating to  
3 his or her functions.

4 **SECTION 47.** 16.004 (12) (a) of the statutes is amended to read:

5 16.004 (12) (a) In this subsection, "state agency" means an association,  
6 authority, board, department, commission, independent agency, institution, office,  
7 society, or other body in state government created or authorized to be created by the  
8 constitution or any law, including the legislature, the office of the governor, and the  
9 courts, but excluding the University of Wisconsin Hospitals and Clinics Authority,  
10 the University of Wisconsin, the Wisconsin Aerospace Authority, the Health  
11 Insurance Risk-Sharing Plan Authority, the Lower Fox River Remediation  
12 Authority, the Wisconsin Quality Home Care Authority, and the Fox River  
13 Navigational System Authority.

\*\*\*\*NOTE: The above excludes the UW from rules that DOA must promulgate that govern surveillance by a state agency of the state agency's employees.

\*\*\*\*NOTE: We did not include the UW in s. 16.008 (2) (payment for extraordinary police service). Please let us know whether you want to make changes to s. 16.008 (2) which provides, in part: "The state shall pay for extraordinary police services provided directly to state facilities, as defined in s. 70.119 (3) (e), in response to a request of a state officer or agency responsible for the operation and preservation of such facilities. The University of Wisconsin Hospitals and Clinics Authority shall pay for extraordinary police services provided to facilities of the authority described in s. 70.11 (38). .... Municipalities or counties that provide extraordinary police services to state facilities may submit claims to the claims board for actual additional costs related to wage and disability payments, pensions and worker's compensation payments, damage to equipment and clothing, replacement of expendable supplies, medical and transportation expense, and other necessary expenses. .... The board shall obtain a review of the claim and recommendations from the agency responsible for the facility prior to proceeding under s. 16.007 (3), (5), and (6)." option.

\*\*\*\*NOTE: We did not affect the definition of "agency" for purposes of the women's council under s. 16.01. Note that s. 16.01 (1) defines agency to include an institution of higher education, but does not define "institution of higher education." Arguably, the UW is an institution of higher education and thus an "agency" for purposes of the women's council Is that okay? OK.

14 **SECTION 48.** 16.045 (1) (a) of the statutes is amended to read:

1           16.045 (1) (a) "Agency" means an office, department, independent agency,  
2 institution of higher education, association, society, or other body in state  
3 government created or authorized to be created by the constitution or any law, that  
4 is entitled to expend moneys appropriated by law, including the legislature and the  
5 courts, but not including an authority created in subch. II of ch. 114 or subch. III of  
6 ch. 149 or in ch. 37, 52, 231, 232, 233, 234, 235, 237, or 279.

      \*\*\*\*NOTE: The above exempts the UW from DOA's authority over agency use of  
gasohol, alternative fuels, and hybrid-electric vehicles.

7           **SECTION 49.** 16.15 (1) (ab) of the statutes is amended to read:

8           16.15 (1) (ab) "Authority" has the meaning given under s. 16.70 (2), but  
9 excludes the University of Wisconsin Hospitals and Clinics Authority, the University  
10 of Wisconsin, the Lower Fox River Remediation Authority, the Wisconsin Quality  
11 Home Care Authority, and the Health Insurance Risk-Sharing Plan Authority.

*we need to verify that no changes are necessary to 16.401(1) regarding*  
      \*\*\*\*NOTE: The above exempts the UW from DOA's resource recovery and recycling *appropriated*  
program that applies to agencies and authorities. *funds.*

12           **SECTION 50.** 16.41 (4) of the statutes is amended to read:

13           16.41 (4) In this section, "authority" means a body created under subch. II of  
14 ch. 114 or subch. III of ch. 149 or under ch. 37, 52, 231, 233, 234, 237, or 279.

      \*\*\*\*NOTE: Section 16.41 allows DOA to require authorities to furnish certain  
financial information to DOA and allows DOA access to an authority's financial accounts.  
The above specifies that DOA can exercise such power over the UW.

15           **SECTION 51.** 16.417 (1) (a) of the statutes is amended to read:

16           16.417 (1) (a) "Agency" means an office, department, independent agency,  
17 institution of higher education, association, society, or other body in state  
18 government created or authorized to be created by the constitution or any law, that  
19 is entitled to expend moneys appropriated by law, including the legislature and the  
20 courts, but not including an authority or the body created under subch. III of ch. 149  
21 or under ch. 37.

\*\*\*\*NOTE: The above exempts the UW from the dual retention/employment requirements of s. 16.417 that apply to agencies and authorities. Note that s. 16.417 (1) (b) defines "authority" to include authorities created under specified statutes. By not including the UW in s. 16.417 (1) (b), and by excluding the UW from the definition of "agency" in the above, this draft exempts the UW from s. 16.417.

12 SECTION 53. 16.528 (1) (a) of the statutes is amended to read:

13 16.528 (1) (a) "Agency" means an office, department, independent agency,  
14 institution of higher education, association, society, or other body in state  
15 government created or authorized to be created by the constitution or any law, that  
16 is entitled to expend moneys appropriated by law, including the legislature and the  
17 courts, but not including an authority created in subch. II of ch. 114 or subch. III of  
18 ch. 149 or in ch. 37, 52, 231, 233, 234, 237, or 279.

\*\*\*\*NOTE: The above exempts the UW from the requirements under s. 16.528 for an agency to pay interest on late payments made by the agency.

19 SECTION 54. 16.53 (2) of the statutes is amended to read:

20 16.53 (2) IMPROPER INVOICES. If an agency receives an improperly completed  
21 invoice, the agency shall notify the sender of the invoice within 10 working days after

1 it receives the invoice of the reason it is improperly completed. In this subsection,  
2 "agency" means an office, department, independent agency, institution of higher  
3 education, association, society, or other body in state government created or  
4 authorized to be created by the constitution or any law, that is entitled to expend  
5 moneys appropriated by law, including the legislature and the courts, but not  
6 including an authority created in subch. II of ch. 114 or subch. III of ch. 149 or in ch.  
7 37, 52, 231, 233, 234, 237, or 279.

10 to the board of regents of the University of Wisconsin System or the University of  
11 Wisconsin for instruction, extension, special projects or emergency employment  
12 opportunities.

\*\*\*\*NOTE: The above ensures that the UW maintains an exemption under current  
law that applies to the UW-System.

\*\*\*\*NOTE: What changes are necessary to s. 16.54 (8r)? *see attached.*

\*\*\*\*NOTE: Do we need to create a federal appropriation for the UW? *we do not believe so because we can accept funds directly.*

13 SECTION 56. 16.54 (9) (a) 1. of the statutes is amended to read:

14 16.54 (9) (a) 1. "Agency" means an office, department, independent agency,

19 ch. 149 or in ch. 37, 52, 231, 233, 234, 237, or 279.

\*\*\*\*NOTE: The above exempts the UW from the requirements under s. 16.54 (9) that  
apply to "moneys received by an agency from the federal government as reimbursement  
for indirect costs of administration of a federal grant or contract for which no specific use

The board of regents or the board of trustees may, consistent with state law, perform any act required by the act of congress or the federal agency to carry out the purpose of the act of congress. (2) Temporary Assignment of Academic Staff, Limited and Other Appointments. Notwithstanding subsection (1), sections 36.15, 36.17 and 36.19 shall continue to apply from the date of enactment of this chapter until such time as the Board has developed and implemented a personnel system pursuant to s. 37.11 (1g).

6       chancellor, shall adopt procedures to be followed in the event of termination under  
7       this section.

\*\*\*\*NOTE: If you wish to "notwithstanding" specific provisions in ch. 37, let us know.

9       person appointed or employed in any position in the university, may at any time act  
10      as an agent for any person or organization if the act would create a conflict of interest  
11      with the terms of the person's service in the university. The board shall define  
12      conflicts of interest and adopt policies related thereto.

13      **37.25 Special programs. (2) WISCONSIN RESIDENTS PREFERENCE IN HOUSING.**

(3m) SOLID WASTE EXPERIMENT CENTERS. (a) In this subsection, "solid waste

(b) The board may establish one or more solid waste experiment centers for the  
purpose of developing, demonstrating, promoting and assessing the costs and  
environmental effects of alternatives to solid waste disposal. The board shall  
determine the location of the solid waste experiment centers. In making the  
determination, the board shall consider the solid waste disposal needs of the various  
regions of the state. The board may establish, through cooperative agreements, solid  
waste experiment centers at existing publicly owned or privately owned storage,  
treatment or disposal facilities.

(c) The board shall conduct research into alternatives to solid waste disposal,

conducted under this paragraph shall include technologies suitable for application  
to waste streams of less than 50 tons of solid waste per day and shall consider the  
environmental effects of the technologies being researched and measures which  
could be taken to mitigate such effects. Research conducted under this paragraph  
shall be designed for the benefit of all public and private entities responsible for the  
collection, storage, transportation, treatment or disposal of solid waste and all  
persons who generate solid waste.

\*\*\*\*NOTE: We did not reproduce s. 36.25 (3m) (d), which states: "The board shall appoint a solid waste research council under s. 15.04 (1) (c) consisting of the chancellor of each institution that has faculty with expertise in solid waste disposal or his or her designee. The council shall advise the board concerning the awarding of funds for research projects under par. (c) proposed by institutions." We're not sure whether the new UW board has authority to appoint a council under s. 15.04 (1) (c). More importantly, the council would consist of only one member, the chancellor of the UW. Therefore, the council is probably not necessary. Is that okay? *yes.*

1           (9) STATE SOILS LABORATORY. The board shall establish a state soils and plant  
2 analysis laboratory in connection with the College of Agricultural and Life Sciences  
3 of the University of Wisconsin and the University of Wisconsin-Extension. The

7 investigation and make appropriate recommendations. The board through the  
8 College of Agricultural and Life Sciences of the University of Wisconsin may cause  
9 an investigation to be made of methods of clearing cutover lands, perform  
10 experiments and demonstrations in conjunction therewith and provide related

12 **37.29 Gifts. (1)** All gifts, grants, and bequests for the benefit or advantage  
13 of the university or any of its departments or facilities or to provide any means of  
14 instruction, illustration, or knowledge in connection therewith, whether made to
